

The Free Application for Student Aid (FAFSA) will be available for Fall 2019 college freshman on October 1, 2018.

It is recommended that all students, regardless of income, submit a FAFSA. Many colleges and scholarships utilize the FAFSA for merit based and need based awards.

FAFSA completion assistance will be offered at all Leander ISD High Schools as well as a district wide Saving and Paying for College and FAFSA event on November 8th, 2018.

Saving and Paying for College and FAFSA Assistance
Cedar Park High School
November 8th
6:00 to 8:00 PM

Completing the FAFSA early is more important than ever for Texas high school students. The Texas Higher Education Coordinating Board recently changed the state FAFSA priority deadline to **January 15, 2019**. Information below is from the Coordinating Board.

*Beginning with the 2019-20 academic year, all General Academic Teaching Institutions (GATIs) in Texas **must** publicize and use **January 15** as the state priority deadline for identifying eligible students to be given priority in receiving awards through the state financial aid programs.*

Completing the FAFSA is free. Never pay to submit a FAFSA.
