1. TAKE YOUR SENIOR PICTURE BY NOV. 20

SCHEDULE A STUDIO APPOINTMENT WITH PHOTO TEXAS THIS SUMMER! DEADLINE NOV. 20

Photo Texas Photography is the official senior portrait studio for Vista Ridge High School. To be pictured in the 2017-18 VRHS yearbook, Photo Texas must take your senior's portrait by Nov. 20, 2017.

Use this summer to get ahead on senior year! You can make a studio appointment now. Go to phototexasphotography.com (school code is Rangers) or call 512-617-7780 to sign up for a session. There is a \$20 sitting fee.

Photo Texas will also be on campus Tuesday, Nov. 14 – Thursday, Nov. 16. Seniors must sign up for on-campus portraits beginning Oct. 30 in C428/405.

*Seniors MUST take a senior portrait in addition to school ID picture to be pictured in the yearbook. If a senior fails to take their portrait by Nov. 20, they will not be pictured in the 2017-18 yearbook, and we want to do everything we can to make sure that does not happen.

FAQS:

- The benefit of taking photos at the studio is that the photographer spends more time on each student and takes more pictures to choose from.
- Boys should wear a plain T-shirt for pictures. Photo Texas provides the tux shirt, tie and jacket.
- Girls should wear a loose fitting top that allows for the straps to be pulled down off the shoulder. Photo Texas will provide the black drape.
- Photos on campus will be on the cafeteria stage.
