Dear Rangers,

Welcome to the beginning of a fantastic 2017-2018 school year. The Vista Ridge High School faculty and staff are honored to educate and serve such extraordinary young adults. Beginning our 15th year, Vista Ridge HS has established a reputation for academic excellence, exemplary extracurricular achievement, and a heart to serve our community. Committed to increasing academic standards, we have experienced tremendous growth in our students enrolling in and successfully completing our most rigorous courses. In addition, we have excelled outside the classroom in athletics, fine arts, academic competitions, and numerous extra-curricular activities. These accomplishments reflect the strength of our parent partnerships, committed teachers, outstanding district support, and our student's quest for personal and collective excellence.

As we begin the new school year, we respectfully request that you take a few minutes to review the Back to School documents linked to the Vista Ridge website. There are several important forms in TxConnect for you to complete and return to school. This information helps us communicate more effectively with you and insures that we have all the correct information about your son/daughter. If while looking over the "first day" documents you have any questions, please don't hesitate to call us at 570-1800. Again, thanks for your mutual support as we collaborate to prepare every Vista Ridge student to be the best for the world.

Sincerely,

Paul A. Johnson
