

**Notice to Leander I.S.D. Parents and Students**  
**Credit for Acceleration**  
**(Credit By Exam)**

Credit by Examination for Acceleration allows students, who without direct instruction have already mastered all content and skills in a particular grade level or course, to advance to the next level or course. These exams are available at no cost to eligible students who test during the district's testing periods.

Students are expected to complete *each* exam they have registered for. Families are requested to plan accordingly during the summer to ensure students complete each exam.

*Note: The District does not receive reimbursement for tests not taken.*

**2008 testing dates are as follows:**

Testing Period	Testing Dates	Time	Application Due Date
I	June 10-12, 2008	8:30 am – 3:30 pm	April 18, 2008
II	July 15-17, 2008	8:30 am – 3:30 pm	June 5, 2008

Students will complete an application form and take a designated criterion referenced test which covers the Texas Essential Knowledge and Skills and major learning for the course for which they wish credit. For all of its credit by exams, the district uses tests developed by the University of Texas Extension, Instruction, and Materials Center. Students should contact the campus counselor for applications and additional information.
