NEWS AND INFORMATION

We are aware that some students still have schedule conflicts and we would like to provide additional time for students and/or parents to meet with their counselor regarding schedules. This **Saturday, August 17th from 9:00 am to 12:00 pm**, our counseling team will be in the lecture hall (Please enter through the VRHS front entrance) to assist parents and students who still have the following schedule concerns:

- Students needing schedule adjustments to meet graduation requirements.

- To resolve schedule conflicts and errors (For example, not having a 2nd period course or being placed in 2 classes for the same period)
- To resolve student's course request changes submitted before the Aug.1 deadline.

Please note that each counselor will see students in their alphabet on a first come first serve basis. There could potentially be long wait times. Also, we will not see students who are asking for a course request change as those should have been submitted before the August 1st district deadline. If your child has already reported a scheduling issue to their teacher or the counseling office, there is no need to report the issue again to your counselor on Saturday.

Student Special Deliveries

Special deliveries for students should be approved by the office prior to delivery. Students will be allowed to pick up their delivery at the end of the school day.

In addition, students are not allowed to have food delivered to school from commercial establishments.
