Dear Ranger Nation,

Welcome to the beginning of a fantastic 2019-2020 school year! The Vista Ridge High School faculty and staff are honored to educate and serve such extraordinary young people. Beginning our 17<sup>th</sup> year, Vista Ridge HS has earned a reputation for academic excellence, exemplary extracurricular achievement, and a heart to serve our community. Committed to increasing academic standards, we have experienced tremendous growth in our students enrolling in and successfully completing our most rigorous courses. In addition, we have excelled outside the classroom in athletics, fine arts, career and technology competitions and numerous extra-curricular activities. These accomplishments reflect the strength of our parent partnerships, committed teachers, outstanding district support, and our student's quest for personal and collective excellence.

We have made a lot of exciting progress this summer on multiple VRHS construction projects. We now have a new secure front entry way. Guests will not be granted access to VRHS without approval. This will enhance safety and security for our students and staff. The VRHS attendance office is now accessible via our new front entry way. Also, the Incubator classroom and NJROTC classroom have both been received state of the art updates.

Thank you for your partnership as we collaborate to prepare every Vista Ridge student to be the best for the world. We are looking forward to a fabulous 2019-2020 school year.

Go Rangers,

Paul A. Johnson

Principal
